CORAM : S.A.BOBDE, J.

DATE : JULY 16, 2007.

P.C.

1. It appears that the matter was dismissed for non-removal of objection along with several other matters by a common order. The learned counsel points out from the application that, in fact, there was no valid objection since he had filed a certified copy in the First Appeal with the remark that it should be taken in the C.R.A. and as a result, he was under the impression that there was no office objection.

2. In view of this, this Civil Application for restoration is hereby allowed.

S.A. BOBDE, J.
